Date: 18th March 2014

Dear Dr Ornette,

My team is responsible for quality assurance of supplementary schools in Manchester and I am very happy to support your proposal for MEaP to be entered for the National Co-ordinating Centre for Public Engagement competition.

MEaP is a committed group of supplementary schools which we have been working with to raise standards in the sector, especially through encouraging volunteer teachers to gain qualifications and to become mentors for the NRCSE Quality Standard.

A handwritten signature in cursive script that reads "J. M. Patterson". The signature is written in black ink and has a long, sweeping underline.

Jenny Patterson
(Team Leader for International New Arrivals, Travellers & Supplementary Schools)
